

# CLAN HUNTER ASSOCIATION

## Additional Information

### Hobbies/Interests

The Hobbies and Interests section helps us to know a little about our members, what sort of events might interest you. Any skills such as being a Piper, Public Speaker, Genealogist, Historian, Fund Raiser etc. that you may be willing to use to help promote Clan Hunter and the Clan Hunter Association UK should be listed. Even if you don't want to be active, please tell us a little about yourself even if it is only to list your hobbies and interests.

I hereby apply to join Clan Hunter Association UK as a member to help further the interests of the Clan Society.

My Membership Fee of £22.00 includes a one off payment of £10.00 to Clan Hunter to cover the Clan Hunter Membership Pack and Certificate of Membership. The membership renewal fee of £12.00 to Clan Hunter Association UK is payable on the 1st April each year.

If a single membership fee has been paid, but a separate certificate is required for a listed partner this can be obtained at an additional fee of £3, this covers the cost of the certificate.
